Jan 7 , 2011 CSWPC Meeting KMTV Blue Ride Airport in Martinsville, VA Plan on meeting at 11:30 at the Runway Café in the terminal building. Runway 12/30 CTAF 122.7

December 2011

Our year end meeting was small but reportedly a good time was had by all that attended. **Bill** and **Betty Gullett** flew to Stanton's from Winston-Salem in their PA-22. Bill commented that he only circled the area twice before he spotted the field. Stanton's is not easy to locate especially if you are the first airplane to arrive. A short ten minutes later **Julian Johnson** and friend **Cramer Gallimore** flew in from Raeford NC in an L-18. Thanks Julian for bringing along a friend. Bill reported that the weather was great for Tri-Pacer flying. Stanton's is a South Carolina barbeque and fish restaurant with its own grass strip located near Bennettsville. Pilot's are especially welcomed and even have their own private dining room. On pretty VFR days there will several planes on the field which makes it a lot easier to find. Our first meeting of 2012 will be held on January 7th at Blue Ridge airport in Martinsville VA. There have been some questions as to the status of the restaurant but I can assure you that it is OPEN for business.

At least it was this past Saturday. I hope to see many of you there. A slightly belated Happy Year to you all!

Steve
