## May – 2013

Our May meeting was held at one of our favorite lunch places, The Pik N Pig located on the Gilliam McConnell airport in Carthage NC. This place is a must stop on any pilot's destination. The day was good for flying and our numbers reflected that with **Marshall and Lenora Teaff** arriving from

Huntersville in their PA-22. **Ryan, Brandi, Kira and Andrew Montambo** also flew in from Huntersville in their PA-22. **Roger Montambo** flew in minutes later in his J-3. **Bonnie and I** flew N2311P from our home base of Winston-Salem. **Rich and Charlotte Netherby** drove over from Wake Forest. **Roger Hawkins** had a short drive from nearby Asheboro. It has been a while since we saw Ryan and his entire family, the children sure are growing.

Our next meeting will be on July 13<sup>th</sup> at the Pik N Pig. Our June meeting was cancelled due to weather. In August we will fly to Rowan County and meet up with our friends of EAA 1083 on the 3<sup>rd</sup>. We have an open date for September so let me hear from you.

I have been in contact with member **Bob Fuller** and he is willing to "host" another trip to the coast. When we went

a couple of years ago to Cape Fear Regional everyone enjoyed the food and fellowship. This would be a fall trip probably October or November; I need feedback from our members to make this happen. I am looking for additional locations and dates so please send me your emails.

Finally, this year's national convention is being held in Saratoga, NY. For us Carolina flyers, that's an all day trip and one that will take more than a little planning. If you are thinking about it please let me know as I would like to know if the Carolinas Chapter will be represented. Also at the convention the members will elect a president to steer the SWPC for the next two years; please vote.

Hope to see you soon and Fly safe!

**Steve**
