## Roxboro Spring Fly-in

Once again the day of our meeting started with weather that was not ideal for Shortwings, but this time the forecast was that it would get worse. I cancelled my flight plans at 10:30 and hopped into the GMC for the drive to Person County. The sun kept teasing me by peeking out from behind the clouds but radar on my phone kept telling me that storms were on their way. I arrived at the Person County airport for the VAA Chapter 3 spring fly-in and Carolina Shortwing monthly meeting at 12:30; slightly behind schedule but I was there. It looked as though the weather had prevented many from flying. I spotted Jeff Anderson's beautiful maroon PA-20 tied down in a prime location and quickly found Jeff. He told me that he had arrived on Friday afternoon under a beautiful blue sky. He reported that Roger Hawkins was seen earlier at the fly-in but I never found him to say hello. Sorry that we missed each other Roger. I did not see any other members but had the pleasure of meeting Greg Hopkins of Middlesex. Greg introduced himself after spotting my CSWPC shirt and hearing me discussing a Tri-Pacer rebuild with a friend.

Greg is in the final stages of obtaining his private ticket and has a PA-22 that is currently not flying due to an overheating issue. That is a whole different story that maybe Greg will share on a

different day, but for now if you have any suggestions on overheating send me a note and I'll pass it along. I will say that Greg is keeping some good company; he has members Jim Link and Jim Page assisting with his Tri-Pacer.

Also in need of a little assistance is member Reggie Ballard, Reggie is looking for some headliner bows for his PA-22. These are not available from the standard sources so if you have some around your hangar or know of some please contact Reggie or me.

Sentimental Journey is the end of June and I know of several members that are planning to attend. Let me know if you are one of them and I will look for you in Lock Haven

Our next meeting is coming up soon so with some good weather I hope to see many of you at Rowan County. Jack and his crew always prepare a great lunch so dust off the Shortwing and fly to KRUQ

Fly safe till then!

Editor: I received the following email earlier this month

Hi Steve and Rich,

Just received my copy of this month's newsletter, and it reminded me to let you know I would be just as happy with the email version, and it would save the postage. My email address is [jjohnson51@aol.com](mailto:jjohnson51@aol.com). By the way, there were two more SWPC members at Sugar Valley, myself and Will Wright. I was flying my L-18, the yellow military Super Cub you might have noticed parked next to the runway. Will was a passenger in the white with red&black trim PA-12 parked next to me. Unfortunately, we didn't arrive until about 11:30, and couldn't find anyone in time for the photo. We looked at planes, ate lunch, and had to leave before the field closed for the model flying, we had commitments back home. Sorry we missed getting with the group! It was a really nice fly-in though, first time I've ever encountered free food at such an event, and the singing group made for great dining music. I have to work Saturday, so will have to miss the meeting at Person County. We already have hotel reservations at Lock Haven, sure hope the weather cooperates so we can get there!

Fly Safe,

Julian Johnson
