Mar 10 , 2012 CSWPC Meeting Triangle Executive Jetport (formerly Sanford Lee County Airport) (KTTA) Sanford, NC. Wings of Carolina Flying Club monthly cookout.

Wind Sock at Gilliam McConnell

The Monthly meeting at Gilliam McConnell was a blowout, literally. The official numbers at Moore County airport were 9 gusting to 20. The picture of the wind sock shows the wind strength, I missed the

true picture, it was straight out earlier. Two planes flew in while I was there, both Cessna's, a 182 and a 180. The wind there was straight down the runway however and was not a problem for the larger Cessna's. I was the only CSWPC member there and that was because I drove my "very short wing Saturn" since my Tri-Pacer is still not finished. The food was good as usual but I missed the company of the group. I look forward to seeing a good turnout for the March meeting at Sanford. I will try to be there since it is a shorter drive than Gilliam McConnell.

Departing Member:

I received an email from Jim Freeman. He has sold his Tri-Pacer and moved to Pennsylvania. He will not be renewing his membership in the Carolina's Chapter but will be joining a Chapter in either Pa or NJ. Good luck in your new home Jim and we are sorry to lose you.

Upcoming Events:

Mar 10 - Sanford (KTTA)

Apr 21 - Sugar Valley (5NC2)

May 5 - Person County (KTDF) VAA # 3 spring fly in

Jun 4 - Rowan County (KRUQ)

July 14 - Pick N Pig Gilliam McConnell (5NC3)

Editor's note: Sanford airport is now officially Raleigh Executive Jetport, still KTTA, don't know exactly when the name change took place but they seem to be following the lead of Franklin County, KLHZ. They changed their official name to "Triangle North Executive" last year. Both seem to be attempting to lure some of the corporate jet traffic out of Raleigh.

Guys,

Our March 10th meeting is confirmed for the Second Saturday cook-out hosted by the Wings of Carolina Flying Club at the Sanford-Lee County airport (KTTA). The club holds monthly cook-outs and we have been invited to join the fun. The March menu will be the usual - hamburgers, cheeseburgers, hotdogs, bratwursts, baked beans, chips and sodas... all at a very reasonable \$5 cost. The grill is 'open' from 11 am to 1:30 pm so try to arrive around our usual 11:30 time. Depending on the weather crowds are generally around 25 to 45, so there should be plenty of friendly aviation related conversation.

Our April meeting will be held near Mocksville NC at the new Sugar Valley airport (5NC2). The folks at Sugar Valley are trying to revitalize an older airport and bring a new enthusiasm for flying to the area. I attended an event in the fall and the hospitality could not have been better. Please put April 21st on your calendar and come prepared to enjoy the day.

If you know of a place or event that we should attend please let me or Rich know so that we can put it on the calendar.
