Runway 3/21 2660ft CTAF 122.8 meet at 11:30 and walk to Martha's Grill at the north end of the
airport.

2017 October Meeting

Our October meeting was cancelled because of weather which has happened a lot this year. My crystal weather ball just has not worked very well this year. I still have November and December to redeem myself. November's meeting will be the next Saturday the 18th and our final meeting for 2017 will be December 16th.

November's meeting will be at Montgomery County (43A) and we meet at 11:30 and walk over to Martha's for lunch. Current forecast is cool with some sunshine but we all know how that can change,

December's meeting will be at Carthage (BBQ1) for another delicious meal and good time. Arrive early if you car because we will want to get tables inside.

2017 has been an odd year for our meetings, we had more *bad* weather Saturdays than good so I hope that 2018 is better. Also I personally did not fly as much as I had hoped to. Again weather was part of that reason but letting other things get in my way was also part of the reason. I

challenge all of us to fly more in 2018 and attend more meetings. Also I would like more communication for our members; if you are working on something and need or can provide help with the project, ask or share, we will all benefit and enjoy. If you are taking a trip, attending a flying event; again share and let us all know of your travels.

And finally, I do want to remind all that CSWPC dues for 2018 are now being collected. The \$10 amount has not changed but we do need the dues to pay for our website and the small amount of postage required used to mail newsletters. Please note that dues are payable to **Rich Netherby**, his address is listed in the newsletter. Hope that the weather is good and I see many of you next Saturday.

Blue skies,

Steve

Editor's Note:

We have not had many newsletters published this year and I apologize for that. I will try to do better from now on. I am not a good writer myself but I will welcome articles from the membership so that we can have a newsletter each month.

Rich
