## September – 2015

The September CSWPC meeting was a big 180 from the large crowd at our August gathering. Weather was the primary reason for the small number of Shortwingers in attendance at the Rowan County EAA Chapter fly-in lunch. I myself made the 45 minute drive down I-85 to Salisbury. A small crowd had gathered at the hangar and the smell of burgers and hotdogs was in the air. But unfortunately that was the only thing in the air that morning. I did see some former members, **J Wood** and **Lewis Brown**. Both live nearby and drove over for the lunch. **J** has purchased a Champ and has just about enough dual time to make his solo flight. **Lewis** has sold his pretty Vagabond to a lucky fellow in Dalton Georgia.

**Lewis** is building a RANS S-20. Good luck with your build and keep us up to date on the progress.

As I write this it is now a late Sunday afternoon and the clouds have broken and the sun has peeked through for the first glimpse of sunlight on a weekend for the past three weeks. Our October CSWPC meeting has been weathered out for the past two Saturdays and since we all hate to miss an opportunity to fly and break bread with our friends I thought I would suggest the last Saturday in October to try once again to get together and share a meal. I propose that we meet at one of our favorite places; the Pik N Pig in Carthage at 11:30. Hopefully the weather will cooperate. Also it will be Halloween so wear your best pilot's costume and enjoy the day.

Finally I have not heard from any of our friends in South Carolina but they have had devastating floods that I am sure everyone is aware of. If there is anything the Chapter can do to assist our fellow friends and pilots please let someone know.

Future meeting dates will be November 21<sup>st</sup> and December 12<sup>th</sup>.

So hope to see you there.  
Fly safe!

**Steve**

Note: Siler City (**KSCR**) will be closing 8/31/15 for paving – expect 50 days before reopening. Check the NOTAMS.
